## MUNICIPAL NOTIFICATION.

No. 2286.

(*Translation*)

CERTAIN persons have been detected falsely representing themselves as employes of the Council, of the Health Office, and of the Electricity Department and thus fraudulently obtaining payments from Chinese residents. It is hereby notified that the following Chinese employes, and no others, are authorised to collect money from residents for the purposes hereunder set forth:—

1. Chinese collectors from the Council's Tax Office in uniform, unaccompanied by a Foreign collector, five in number: all bearing proper certificates issued by the Overseer of Taxes authorising them to make specific collections as follows:—

(*a*) Boat licence fees, three men.

(*b*) Fees for Council's Public Works Department permits, one man.

(*c*) Tea shop licence fees according to tally of the tables by a Foreign collector, one man.

2. Chinese Collectors of accounts for Electricity unaccompanied by a Foreign Collector all bearing proper certificates authorising them to collect accounts, and the relative receipts. The accounts are sent to the consumer separately. The consumer should note that the receipts which these collectors give on payment tally with the accounts in the consumer's possession.

3. Chinese in the capacity of shroffs who invariably accompany Foreign Collectors.

No other Chinese employes are engaged in collecting any taxes, rates or dues whatsoever.

Chinese residents, shop-keepers, and others are accordingly requested uniformly to take note that no paymen's should be made to any other Municipal Employes except those above mentioned. The employes of the Health Office, whose work takes them inside houses are coolies engaged in rat and mosquito destruction: they are provided with badges stamped and signed by the Health Officer. Disinfection is never carried out by Chinese except in the presence of a responsible foreigner: disinfection is never undertaken without previous official notification: and this work is performed gratis. No gratuities should be given, nor any payments made to any employes engaged therein.

No gratuities should be given to any employe in the Council's service. Any person attempting to extort money on false pretences should immediately be handed over to the Police.

By order,

J. B. A. MACKINNON,

*Nieh Chih-kuei Public School for Chinese.*—With reference to the correspondence with Mr. Nieh Chih-kuei on this subject contained in the Gazette of January 22, 1914, the following further letters refer to the completion of the School site, and of the Kinchow Road adjoining:—

Council Room,
Shanghai, November 10, 1914.

SIR,—With regard to the site which you are donating for the new Chinese school, the Council has succeeded in acquiring a piece of land on the west of the school measuring Mow 2.517 for the sum of Tls. 2,074. This lot, of which I enclose a plan, consists of the thin strip required to complete the site, the whole of the road which is to run on the east frontage, and a 10-ft. strip of land on the other side of the road. It will be a great advantage to own this last strip so as to prevent objectionable buildings from being put up opposite the school. The Council trusts therefore that you will approve the purchase and that you will consent to pay for the land as part of your donation.

I am, Sir,
Your obedient servant,
W. E. LEVESON,
*Secretary.*

## Mixed Court Report for October.

*Foreign Civil Cases.*—The local Chinese Authorities have again adopted an obstructive attitude in regard to the service of summonses in Civil Cases where the Plaintiffs are Foreigners and the Defendants reside outside the Settlement. The reason given for this action is that the Mixed Court has refused to give assistance to the City Authorities in several cases where extradition from the Settlement was sought.

The last time an impasse occurred in respect of this matter the Chinese Authorities claimed the right to try all cases against persons residing in Chinese Territory whether the Plaintiffs were Foreigners or Chinese. They have, however, since withdrawn from this untenable position so far as Foreigners are concerned and until recently the work of the Court has proceeded smoothly and unhindered by such obstruction as is now being experienced.

A meeting between the Mixed Court and the local Chinese Authorities will shortly take place when it is hoped the difficulties will be surmounted.

*Chinese Civil Cases*—The number of cases awaiting a first hearing at the end of the month has increased from 180 in September to 214 in October, the highest number yet reached. This is partly accounted for by a decrease of 27 in the number of cases which have been brought to a conclusion during the month.

After two months' working of the Court with only two Assessors it must be admitted that the number is insufficient to cope with the volume of

work to be performed. It is to be hoped, therefore, that a third Assessor will be appointed in the near future to take the place of Mr. Klimanek whose death in the fighting around Tsingtao has to be recorded with deep regret on the part of all who came in contact with him in his work at the Court.

*House of Detention.*—The number of civil defendants under detention has increased by ten during the past month; the increase is due to a certain extent to the curtailment in the work of the Chinese Civil Court noted above.

Here follow returns of Offences, Summonses and Warrants dealt with, Sentences and Decisions, Prisoners in custody, Foreign Civil Cases, Civil Defendants under detention, and Chinese Civil Cases.
